## RedZed Super Commercial SMSF Loan Product

### CONTINUED

- The RedZed Super Commercial SMSF Commercial Loan is secured by a mortgage over residential property beneficially owned by a self managed superannuation fund and legally owned by a corporate security trustee. A guarantee limited to the secured residential property is required from the security trustee. A guarantee limited to the loan amount is required from all adult members of the self-managed superannuation fund (Limited Recourse Borrowing Agreement (LRBA).

### Key product attributes of the RedZed Super Commercial SMSF Product include:

- A variable interest rate only;
- Maximum product amount of \$3,000,000;
- Principal and Interests repayment, or Interest Only repayment options may be allowed for a period of up to 5 years,
- Subject to a lending assessment;
- Repayment frequency options for principal and interest repayments include Monthly, Fortnightly or Weekly;
- Repayment frequency for Interest Only is monthly;
- Additional or lump sum repayments permitted;
- Ability to finance loan related fees or charges onto the loan amount in accordance with the SIS Act (subject to a limit defined by RedZed e.g. maximum total product amount or Loan to Valuation ratio.);
- Minimum liquid net asset position of the SMSF must be equivalent to at least 3 months repayments of all loans held by the SMSF or 6 months repayments if a lease expires <12 months, is new, or the security is currently vacant;
- Minimum term for repayment of 15 years;
- Maximum term for repayment of 30 years;
- Acceptable Security property (single asset only - maximum loan size restrictions may apply); and
- Interest, fees, and charges apply.

 **Note that exceptions may be made to the above at the discretion of RedZed on a case-by-case basis.**

This product is considered a rate for risk product. The interest rate, fees and charges applicable, maximum loan term, loan size and Loan to Valuation ratio will depend on various factors at the time of application. These factors may include the location and type of property held as security, fund liquidity, member contributions, employment history and activity, income verification method, and/or credit history.

The product is generally appropriate for self-managed superannuation funds that will receive and use income from property rent, other assets of the SMSF and member contributions to meet the required minimum repayments over the term of the loan. RedZed's suitability consideration is limited to an assessment for credit purposes only. It does not extend to the suitability in relation to the investment strategy of the self managed superannuation fund.
